

Thank you for donating to the VNA & Hospice of Southern California

As a non-profit agency, we are dedicated to providing professional home health & hospice services with comfort, care and heartfelt compassion. Our Charitable Care Fund was developed to assist those without medical insurance, financial means or nearby family. The program is supported by generous donations from patients, families, friends and by the caring community.

All gifts are tax deductible to the amount allowed by law and donors are recognized in our Annual Report. Please be assured you will receive an acknowledgement from our agency upon receipt of your gift. If you have any questions regarding donations, please call (909) 447-7328.
